

L-W Education Fund Hard Hit By JC Tuition Bill

Lincoln-Way High School district residents who plan to attend Joliet Junior College next fall, and had filed notice of such intent at the high school office, have no doubt lined up their programs by this time.

The Lincoln-Way Board of Education cleared the way last Thursday night at a special meeting with a decision to pay the tuition charges under the junior college law.

Students from the district who enrolled at Bloom Junior College, Chicago Heights, had no difficulties and were accepted promptly, but those who attempted to enroll at Joliet were refused until such time as they brought in forms signed by Supt. A. Hunter Chapman, as Lincoln-Way administrator, committing the Lincoln-Way district to payment of the tuition out of the education fund of the high school.

Chapman began signing such forms Thursday night, passing them out to students and to parents of students present who had filed notice of intent.

"Since it became apparent that the Joliet Junior College would not accept any

students unless the high school district signed an agreement to pay tuition it became necessary for the board to act immediately," Wendell Morrison, of Frankfort, told parents and students in an open meeting at the school following the board session.

Under the set-up now in force, Elias Brown, Mokena, a member of the board, estimates that it will cost from \$60,000 to \$70,000 to meet the tuition bill this year, and it is expected the figure will grow as more people enroll in junior college.

Any high school graduate or person otherwise qualified living in the district—whether 18 years old or 80—is entitled to have his or her tuition paid in junior college, according to the law, it was brought out.

Inasmuch as the education fund is used to pay the salaries of teachers and the operational costs of the school the amount diverted to junior college tuition could be described as coming out of the teachers' pockets, Chapman said.

Originally, the superintendent stated, the law permitted a high school district to levy whatever tax it required to raise the money for

the tuition charges but just before adoption this was changed, limiting the levy to 3-cents per \$100 equalized assessed valuation. Such a tax would bring in approximately \$15,000 in the Lincoln-Way district, Chapman said.

It had been the intention of the Lincoln-Way board to use only this money for tuition charges. It was to have been pro-rated among the number of local students attending junior college. This amount, plus state aid, would leave about a third of the tuition for the student to pay, it was said.

A section of the Junior College Act states that any school district operating grades 9 thru 12 (this is interpreted by some school authorities to mean that a community unit district would not be included because it maintains grades 1 thru 12) is responsible for payment of tuition to any junior college in Illinois selected by the resident... "such tuition not to exceed the per capita cost of maintaining the junior college, less state aid and partial payment of tuition by the student."

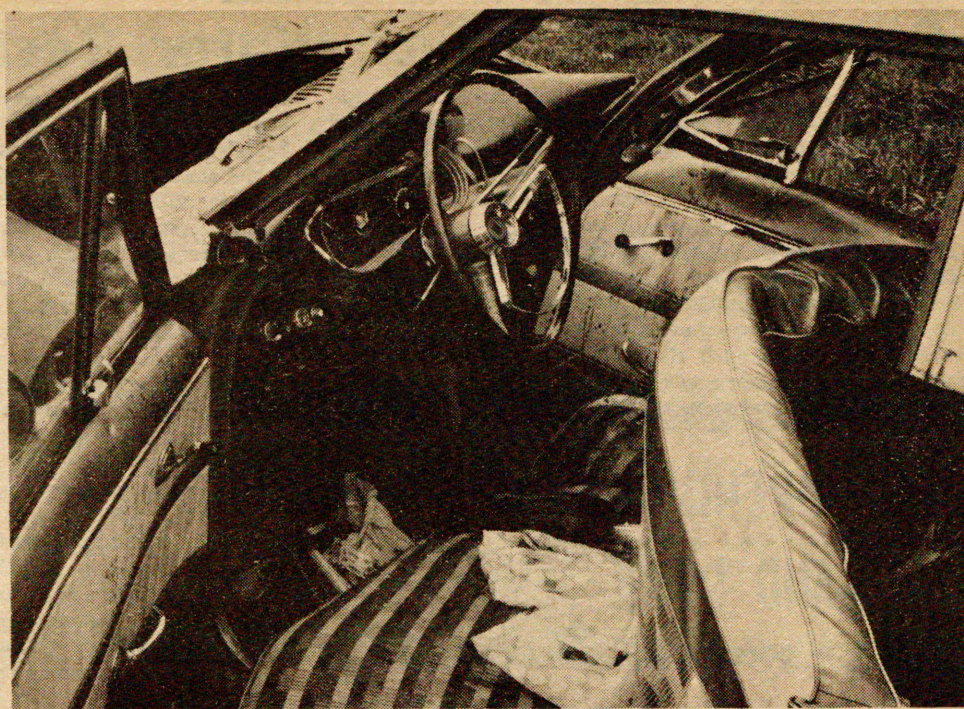

Then last week Chapman received a copy of an opinion by Illinois Attorney General William G. Clark, Class 2 junior colleges (Joliet and Bloom are such) can collect tuition from resident students but not from non-residents, directly or indirectly.

Some authorities question whether under this ruling, a school district could legally pay such tuition. Chapman also raised the point that if Clark's opinion should be upheld the solution for a high school district would be to collect a part of the tuition from the student. The opinion holds that a Class 2 junior college can't collect tuition from a student but there is nothing said about a high school district collecting. The Lincoln-Way board is getting a legal opinion on this. If legally possible the board would then bill the students' parents for a portion of the tuition fees advanced, Chapman said.

The per capita cost of maintaining Joliet Junior College is not expected to be available until fall, Chapman said, and since that would be the basis for fixing the tuition charge, Lincoln-Way will be flying it blind for a while.

Someone at the meeting asked why Lincoln-Way district did not have a special tax to pay junior college tuition such as Lockport has. Chapman explained that nine years ago the Parent Teachers Group of Lincoln-Way advocated adoption of such a tax but no one was interested in the idea. This newspaper also put out some feelers on the subject then but the only response was negative.

Four years ago the people of the district voted overwhelmingly against Lincoln-Way becoming a part of a Southwest Suburban junior college district and much of the opposition came from those who wanted to preserve this territory for a Joliet Junior College district should one be organized in the future.

DEATH CAR -- This is the vehicle which Miss Ruby V. Kilmer, Chicago, a sister of a Mokena resident, was driving when it became involved in a collision with another automobile last Friday. The front seat bowed, as seen in the photo, and she was wedged between that and the steering wheel. Orland firemen had to cut the posts in front and at the back of the front door and raise the car roof before Miss Kilmer could be removed. She was pronounced dead at the hospital.

Sewer Gets Surface Water, Tests Show

Smoke tests were conducted in Mokena last weekend to determine the number of householders were in violation of the village and state law which bans the release of surface water in the sanitary sewer mains.

A report is being compiled but it is known there were a number of such violations. Householders who

have their downspouts connected to the sanitary sewer will be required to cut the pipe so the water will descend from the roof to the ground.

In some instances smoke penetrated basements. This was said to indicate that the traps of basement drains are not properly sealed. When downspouts are con-

nected with the sanitary sewers the smoke is seen coming out thru the roof gutters.

The smoke test was ordered by the village board at its meeting last week after William Muehler, William Jebson, Harold Cooper and Clarence Mast appeared to complain about water backing up in their basements after the preceding heavy rainfall. Board members informed the complainants that the reason their basements flooded was because too much surface water was going into the sanitary sewers.

Village Engineer Ralph Yunker was instructed to have the smoke tests made, the board members asking that tests on their homes be made first.

Trustee Roy Richardson head of the police committee, reported that they are looking into a proposal to improve the communications system. He also said that he plans to provide for new squad car in the coming appropriation ordinance.

Trustee Marvin Weiten-dorf reported that work has commenced on the pump house at the new well site, off Wolf Rd.

Minutes of a meeting May 1, 1962 were produced by Village Clerk Alvin Sorenson, purporting to show that the village agreed to allow George Helgersen to extend the village water main from Bryant St. to Wolf Rd., a distance of 300 feet, according to village specifications, at a cost of \$1,476.90. The village further agreed, the minutes state, to reimburse Helgersen for \$664.60, representing the cost of the extension not on his property. The board considers Mr. Helgersen is paid and is not entitled to any further payment.

Richardson and Sorenson are to talk with Andrew Bueschel to explore the possibility of getting an easement thru his property to install a tile line that would drain the northeast area of the village.

GOP Candidates Hold Meeting At Frankfort

A group of over 75 Republicans met Thursday evening, May 19, at the home of Precinct Committeeman Albert H. Krusemark with all of the state and local Republican candidates, including the Republican County Chairman, Thomas Feehan, being present.

The candidates reported an encouraging response to their candidacy from all parts of Will County and were unanimous in predicting a Republican victory in the fall election. The coming primary election will be held on Tuesday, June 14.

Chairman Feehan reported on the method of selecting the county and state candidates which has resulted in general harmonious relations between all groups of the Republican Party in Will County. Candidate for state senator, Meade Baltz, stated that Will County voters generally were very receptive to the Republican program, both on a state and national basis.

County Clerk Clara Hartley Woodard was enthusiastic about the large Republican majority that Frankfort had always turned in and was especially appreciative to the committeeman, Al Krusemark, for his fine work in maintaining this

substantial Republican majority.

Candidates for the state legislature, W. Robert Blair and William G. Barr, advised that the Illinois Agricultural Association was fully behind the program of revising the Revenue Article of the Illinois Constitution which would result in a more equalized tax basis among all taxpayers.

Clarence Lipman, candidate for Sheriff, and Boyd Bucher, candidate for county superintendent of schools gave a short talk outlining the program of those offices.

Local officials, Supervisor George Tate, Tax Collector Burnett Schram and May Glenn Warning were introduced, along with two Republicans who have been active in Frankfort Republican affairs for the longest period of time, Adam J. Heusner and Herbert J. Lanbrecht.

Refreshments were served and an informal discussion followed, with the candidates personally meeting all those in attendance. The meeting adjourned with a general expression of support of the entire Republican ticket and an effective program of obtaining a large Republican vote in the primary election on June 14.

No Room For Junk Autos At Frankfort

At a recent meeting of the Frankfort village board June 1 was set as the deadline for removal of junk and abandoned cars from re-

sidential sites, vacant lots and public property, including the streets.

June 1-15 has been designated as the period for voluntary compliance with the ordinance. After this, it was stated, such cars are to be towed away and eventually sold as junk. If the sale does produce sufficient money to cover charges, which could entail attorney fees, title fees, towing and other incidental expenses, the owner would be billed by the village for the balance, it was explained.

According to the ordinance the village police are given authority to enter upon private property to pick up any junk car not garaged or housed. Any car not carrying 1966 state license plates and a village vehicle sticker is classified as a junk, or abandoned car, according to

Plan Restaurant At 159th And 80th Av.

(CNS) -- The County Board Wednesday sent to the zoning board of appeals for study an application for a zoning change for construction of a restaurant and service station on the southwest corner of 159th St. and 80th Ave., Orland Twp.

The applicant, Chicago Title & Trust Co., trust 41263, submitted by American Oil Co., is requesting a change from the present R-3 single family residence to B-4 general service residential zoning.

The site is about one acre in size. The zoning board of appeals will set a date for a public hearing and after the hearing will give a recommendation to the county board.

The board also sent to the zoning board for study a protest by the Village of Matteson against an application for a drive-in restaurant on 2,334 acres 483 feet west of Kostner Av., south of Lincoln highway in Rich Township.

The protest, submitted by Village Attorney Henry W. Lehman, notes that the site is in the geographic center of the village, despite being in unincorporated territory.

Lehman cited a village ordinance which forbids siting of drive-in restaurants no closer than one-half mile to city limits.

The petitioners, William Martin and Emil Lipski, 10505 S. Kolin, Oak Lawn, are requesting a change in zoning from R-3 single family to B-5 general commercial district.

WILLIAM E. "BILL" Kane, candidate for Republican committeeman of Orland township, has received the endorsement of the Better Government Association. This association is non-partisan and endorses only qualified candidates for each public office.

Mayor Glenn Warning is asking the cooperation of all concerned to rid the community of junk cars, which are described as "eyesores."

Other communities in the area are watching to see what legal repercussions, if any, might result from the seizure of such cars on private property.

Scout laws repeated as Cadette Barbara Beebe lighted the candles on the tree foil.

The Cadettes of troop 97 bridged over the Juniors eligible for Cadettes scouting; Pam Fant, Connie Snow, Bonnie Williamson, Sharine Mullen, Nancy Shepherd, Christine Wrath and Cathy Warning of troop 387; Mary Schubert, Paula Ingram and Debbie Schuch of troop 305.

Mrs. Lyman Teague Jr., 1966 day camp director, requested help in order to make day camp available to Mokena scouts.

The closing flag ceremony was performed by Cadette troop 97 with Janice Peterson as scout in charge.

Funeral Rites For First Bishop Of Joliet Friday

Funeral services for the Most Rev. Martin D. McNamara, bishop of the Joliet Diocese who died Monday (May 23) at St. Mary's hospital, Rochester, Minn., will be held tomorrow (May 27) at 11 a.m. in the Cathedral of St. Raymond, Joliet. He was 68 years old.

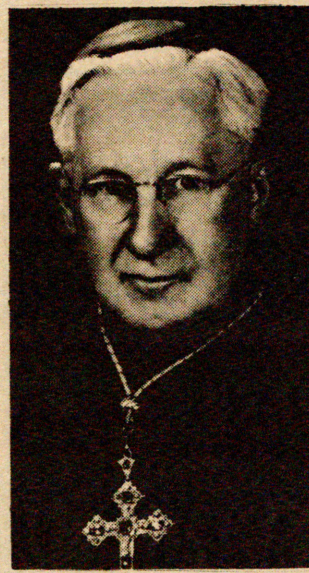

A concelebrated mass will be offered by the Roman Catholic bishops of Illinois and the deans of the Joliet Diocese, the Rt. Rev. Msgr. Gregory Cloos and William Plunkett, and the Very Rev. T. U. Demarais and William Branbrink, and the auxiliary bishop of the diocese, the Most Rev. Romeo Blanchette.

Other participants will include Archbishop Patrick Cody of Chicago and Bishop Loras Lane, Rockford; Bishop William O'Connor, Springfield; Bishop John Franz, Peoria, and Bishop Albert Zuroweste, Belleville, and the auxiliary bishops of the Chicago Archdiocese. Interment will be in Resurrection Cemetery, Romeoville.

Archbishop William Cousins, of Milwaukee, will preach the sermon. He and Bishop O'Connor were consecrated at the same time as Bishop McNamara.

The body lay in state in the cathedral from 10 a.m. Wednesday, until the time of the funeral.

The Joliet Diocese was established by Pope Pius XII and Msgr. William D. McNamara, pastor of St. Xavier Church, Wilmette, was named as its bishop. He was consecrated a bishop at Holy Name Cathedral, Chicago, by the late Samuel Cardinal Stritch, on March 7, 1949, 27 years after he had been ordained a priest. He was enthroned at ceremonies in St. Raymond Catholic Church at Joliet on March 24, beginning a career that has

BISHOP McNAMARA

witnessed an enormous growth of the church in the seven counties that make up the diocese.

The Joliet Diocese includes Will, DuPage, Kane, Kane, Ford, Iroquois, Grundy and Kendall counties. When it was formed it had a Catholic population of 90,544; now it exceeds 280,000. Under Bishop McNamara the number of parishes has grown from 71 to 102, and the number of schools has increased from 43 to 75. Infant baptisms that stood at 2,974 have increased to 6,984.

The Cathedral of St. Raymond was built under his direction and he pontificated at the first mass said there, at 6 a.m. Dec. 8, 1954, on the Feast of the Immaculate Conception, and the edifice was filled to capacity. Formal dedication of the cathedral took place May 25, 1955, with Cardinal Stritch officiating. And now 11 years later, to the day, the body of Bishop McNamara was taken to the cathedral to lie in state.

Three years ago the bishop underwent surgery at Ro-

chester for a heart condition and on May 18 the surgeons there performed another delicate operation to insert a plastic aorta.

He had been in poor health since the first operation but despite this he worked unceasingly in 1963 to raise funds for a new seminary, St. Charles Borromeo on the Lewis College grounds at Lockport. The fund was oversubscribed and the seminary opened in September, 1965, and was formally dedicated about 10 days ago.

Memorials for Bishop McNamara may be made to the seminary, either directly or sent to the Catholic Chancery Office, 310 Bridge St., Joliet.

Bishop McNamara was an humble, kindly man, with a great capacity for leadership. He was well liked by people of all faiths.

A brother, Lawrence McNamara, of Riverdale, a nephew, Brother Aquinas McNamara, of the Irish Christian Brothers and a teacher at Leo High School, Chicago, and other nephews and nieces survive.

At a meeting of the 14 Diocesan Consultants Monday afternoon, Bishop Blanchette was named as administrator of the diocese until such time that Pope Paul VI names a successor to Bishop McNamara.

Open Ball Season

On Sunday, May 29, at 1:30 p.m. Mayor Eric Book will open the Mokena baseball season by pitching out the season's first ball at the game between the Mokena Twins and the Mokena Dodgers Little League teams.

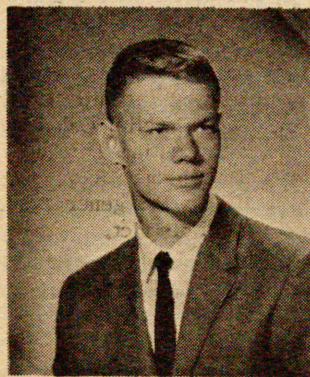

While the fans are watching the game they should take note of the new refreshment stand which sits on the park grounds. Ken Benson and John Ford donated their time and skill in building the stand.

CAROLE BENSON, second from right, has been chosen as Fourth of July queen by the Orland Park American Legion post. She now becomes a contestant for wider honors and could become queen of the giant July Fourth parade planned at Chicago. She will also preside over the Fourth's festivities at Orland Park. Neighboring communities are being invited to enter floats or marching units in the Orland Park parade. With Miss Benson, at the left, are Sharon Koveikis and Marie Granat, and at the right is Sally Town.

ministry.

The choir, which has 32 singers, plus an instrumental ensemble will leave Springfield on June 2 and will open with a concert in Dublin, Ireland, June 3. The choir will sing in Scotland, Wales, Germany, France and the Netherlands. A highlight of the journey will be a concert in West Berlin and a visit to East Berlin. The choir will also visit Switzerland. The tour will close with a final concert in the Hague June 21, and the choir will leave for home the following morning.

Dr. Oswald Hoffmann, Lutheran Hour speaker will join the choir for the British Isles portion of its tour. Dr. Hoffmann's decision to be with the choir underscores the Lutheran Hour's recognition of the mission thrust of this tour. It is their mutual hope to aid the Evangelical Lutheran Church of England in its current expansion program in the British Isles.

Dr. Fred L. Precht, director of the choir for the past 25 years has taken the choir to Europe in 1954 and 1958. This year, as before, the members are seeking to raise sufficient funds for this endeavor, and appreciate any contributions that are received. They receive no subsidy from any group so they must depend on the generosity of interested persons for funds for traveling expense.

Bueltmann lives in Chatham, Ill. with his wife and two sons. He has been assigned to serve as assistant to the pastor of Zion Lutheran Bismark, N.D., from September 1966 to September 1967.

The contractors who install electric whole-house air conditioning aren't busy right now (it's between seasons). In order to keep busy they are strongly inclined to make special money-saving deals for smart folks who want to keep cool.

Last year, 25,000 smart Chicago area folks installed electric whole-house air conditioning. Join the smart crowd. (Bernie did.) Your heating contractor can make you a member. Air-condition now.

With electric whole-house air conditioning you'll have the least expensive air conditioning available, both in the cost of the unit (as little as \$800 in an aver-

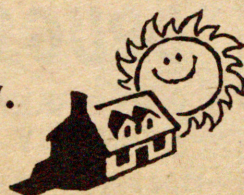

age 6-room house) and cost of operation (about 40 cents a day during the air-conditioning season).

And with electric whole-house air conditioning you'll enjoy cool, filtered, dust-and-pollen-free air. You'll be really comfortable, and you'll sleep better and eat better. Best of all, you'll know it is one home-improvement you'll get your money back on if you ever sell your house.

Now you know why 25,000 electric whole-house air conditioners were installed in the Chicago area in 1965. And why you'd better beat the crowd in 1966.

Sneak Preview Of New Model Case Tractor

Swanberg Co., Wolf rd.,
Mokena, has received one
of the first available new
Case 7-plow, 100 hp-plus
Model 1030 tractors to be
shipped from the Racine,
Wis. farm equipment firm.
The national introduction of
the new Case 1030 is sched-
uled for mid-August but a
sneak preview was held at
his showroom last week.

According to Swanberg,
the new Case 1030 7-plow
tractor features a 451-
cubic-inch, Case - built die-
sel engine. Because of its
big-bore cylinders, long -
stroke pistons and big - lev-
erage crankshaft, the 100-hp
1030 is said to develop un-
usually high torque. High
torque is reported to offer
reserve tractor workpower
to speed up tillage schedules
on big jobs.

Work capacity of the new
tractor is rated at seven bot-
toms or a 21-foot tandem
disk or multiple-hitch mach-
ines of comparable size.
There are two models - a
Special and a General Pur-
pose.

A native son of New Lenox plans little change in his activities now that he has retired from Illinois Bell Telephone Co. after 38 years of service.

Clyde M. Batson of 102 E. Elm St., New Lenox, was born in this Chicago suburb and plans to remain here, enjoying his favorite hob-

bies of woodworking and gardening.

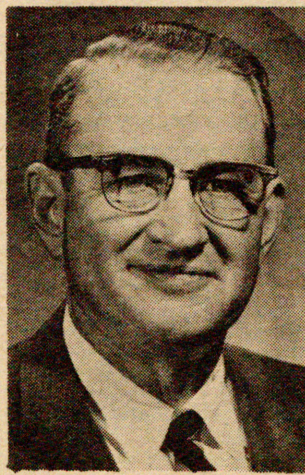

Batson began his career with the telephone company as an apprentice lineman

in January 1927. He held several posts in the plant department before transferring to the comptrollers office. He had been general supervisor of internal audits since 1963.

The veteran telephone man saw three years of service in the Army during World War

II as a captain. He was awarded the Purple Heart.

Batson is an active member of the Kiwanis and Lions clubs and the Grand Prairie Council of the Telephone Pioneers of America, a fellowship and community service organization of veteran telephone people.

Orland Phone Users Get New Directory

Ever wonder where to find the hours of your local post office or library; how to dial direct to Washington, D.C.; what a day a civic organization meets; where a certain street is located in Orland Park, or how to call London?

The answers to these questions and some 259 other facts--give or take a fact or two--are in Illinois Bell Telephone's 1966 directory, according to Manager James N. Campbell.

Distribution of this year's more convenient, easier-to-read telephone book is completed in the Palos-Orland-Worth area, he said, adding: "Like a dictionary, an encyclopedia or a cookbook, this directory is a valuable reference source--at your fingertips when you need to find a telephone number or information about your telephone service or community."

Illinois Bell's new telephone book features larger type and the handy "3-in-1" format, so named because it incorporates three directories in one cover: local white pages, local yellow pages and regional white pages.

Part of the company's overall suburban directory improvement program initiated at a cost of over a million dollars, this year's book has changed a lot since the first such publications in

this area.

The telephone manager also gathered these statistics on the new directory: Illinois Bell printed about 20,700 copies for use in Palos-Orland-Worth area homes and businesses over the next 12 months. This required some 39,000 pounds of paper.

Johnson is the most common name. This year's directory has three full pages of them, or about 1,200 different listings. Smith runs second with 900 listings, followed by Brown with 500 and Jones with 400.

"We're very proud of the accuracy of our directories," Campbell said, noting that thousands of hours go into their preparation. "When you leaf thru your telephone book you can be certain that many eyes saw each number or useful fact before you did and that many hands helped fashion each page."

"And we're extremely gratified by the response to our new 3-in-1 format. It's the result of constant study of the needs and wishes of our customers. But because calling requirements change, our directories will also continue to change."

"After all," he pointed out, "their basic purpose is to help each individual get the most out of his telephone service."

Lincoln Estates Softball Team In Joliet Park Loop

The Lincoln Estates Athletic Club has its 16-inch softball team now enrolled in the Joliet Park District League.

Previously the team played under the name of Carstens Bombers but only a few of the original members are still on the team roster. Tom Fordonski, the manager; Bill Frankenberg, assistant manager; Don Schofield, co-captain, and Bob Seamon, Bud Sheeler, Ron Rob, Tom Vaughn, a pitcher, and Bud Balsie are still around. Balsie has been named as a player-coach and will be used principally as a pinch hitter.

New players who have signed contracts include

Daniel Wondrasek, New Lenox, a pitcher; Gus Santoro, Frankfort; and others that are being counted on are Lawrence Nicholson, Mokena; Richard Smith, Lincoln Estates; Jake Setter, Arbury Hills and Tom Bodie, Frankfort.

Fordonski also hopes to sign several more before deadline, including Jim Casey, Tinley Park; Roger Wishover, New Lenox, and Dale Krutzenberg, Frankfort.

Players interested in seeking a berth on the Lincoln Estates team may call Tom Fordonski at 469-5005 or Bill Frankenberg at 469-2277.

L-W Bows To Celts But Beats Oak Lawn

BY ANDY GARISH

The Lincoln - Way High School baseball team scored a 4 to 3 win over Oak Lawn, leader in the Southwest Suburban Conference standings but did not fare so well with Providence High, of New Lenox.

The Knights had a tie game to work off with the Celts of Providence before taking them on in a return encounter. Lincoln - Way, it is regrettable to state, blew a 6-3 lead in the tie game and wound up on the short end of a 7 to 6 score, after going 10 innings.

The Celts tied the game in the eighth on singles by Gary Spiesio, Ed Kelly and Randy Coley, and a boot by Paul Schubert. Providence won in the 10th with a triple by Centerfielder Keto and a throwing error by Schubert.

In the new game the Knights bowed to the Celts, 6 to 2. Bob Russ is credited with both victories for Providence and Jerry Krueger with the losses for Lincoln-Way.

In the conference game the Knights were trailing 3 to 1 in the sixth and Mike Derring looked like he was about to lose another one and then the Knights came alive.

Tom Tilsy led off the inning with a double, went to third on a bunt single by Ron Runestad, and both came home on a triple by Bob Blackwell. Blackwell came in when the Oak Lawn third baseman, Rick Vander Warren let a ball get away from him.

Derring hurled a brilliant game, scattering eight hits, fanning 12 and allowing three walks.

Loving and kind in all of her ways,
Upright and just to the end of her

They say there's a star in heaven,
For every soul who has left this
earth,
That the measure its brightness is
giving,
Is the measure of that soul's worth.
So when stars on your birthday are
gleaming,
I know dear, just what I'll do.
I'll look where the brightest one is
gleaming,
And say in my heart it is you.
